OM PRESSING WORKS
PLOT NO B 40/1, ADDITIONAL AMBERNATH MIDC,
ANAND NAGAR, AMBARNATH,THANE,421506

Sub.:- Approval as a **"Pressure Part Manufacturer, Class 1 (Dish Ends 60mm thk)"** as per Indian Boiler Regulations, 1950.
Ref :- Your online application vide ID **100001482275 dt. 23-05-2022**

Gentleman,

With reference to your online application vide **100001482275, dated 23-05-2022,** on above subject and subsequent visit of competent person of this Directorate to your workshop on Dated, 29-12-2022 for the purpose of verification of your competency as "**Pressure Part Manufacturer** " **,** I have to inform you that the same is found satisfactory.

You are now provisionally approved as **"Pressure Part Manufacturer, Class 1 (Dish Ends 60mm thk)"** as per Indian Boiler Regulations, 1950 & Maharashtra Boiler Rules, 1962 and its latest amendment under the supervision of this Directorate for the period upto **31.12.2023** subject to the following conditions;

1. The drawings for **Manufacturing** shall be submitted to this office and provisional approval should be obtained before commencement of fabrication.
2. All material such as tubes, plates, pipes, bars etc. must be offered for inspection (and tests if required) before fabrication, along with certificates as prescribed and inspection of weld preparation before welding.
3. Only such welders who possess valid certificates in Form XIII issued by a Competent Authority as listed in Appendix - I of Indian Boiler Regulation, 1950, shall be engaged for type, class, position and material of welding for which they are qualified.
4. **Various stages of Manufacturing, as laid down in Indian Boiler Regulation 1950, shall be offered for inspection.**
5. You shall maintain an up-to-date record of welding personnel engaged on welding of pressure parts as required under regulation 613, of Indian Boiler Regulations, 1950. Such records shall be produced to Inspecting Officer whenever demanded.
6. Destructive tests of coupon plates and non-destructive tests of welded seams should be carried out as required; reports of same shall be submitted to this Directorate, for scrutiny & acceptance. Records of such tests shall be properly maintained.
7. Pre and post weld heat treatment of welds shall be carried out wherever necessary as per Indian Boiler Regulations, 1950 and reports along with charts shall be submitted for scrutiny and acceptance.
8. Jobs undertaken must be adequately suitable with the capacity of plant and equipments, available with you.
9. On completion of fabrication of jobs the same shall be offered for hydraulic test./ final inspection
10. On satisfactory completion of the job, certificates should be prepared as prescribed under Indian Boiler Regulations, 1950 and shall be submitted along with stage inspection reports, destructive / non-destructive test reports, raw material certificates and as built drawings etc. in duplicate to this office for countersignature.
11. The Director reserves the right of withdrawal of this approval without any prior notice, if quality and workmanship is not found satisfactory.
12. As per rule 152(3) of Maharashtra Boiler Rules 1962, any change in design Production/Quality Control related staff shall be immediately informed to this office.
13. As per rule 155 of Maharashtra Boiler Rules 1962, approval may be withdrawn if - a) It is revealed that this approval is obtained by furnishing incorrect or false information
14. b) No manufacturing activity is carried out for a continuous period of six months.
15. Application for renewal of this approval shall be submitted to this office at least **One month** before its expiry date.
16. All instructions and directives given by this Directorate shall be followed.
